

PBIS Houses

PRESENTED BY MEHLVILLE EC PBIS

What are PBIS houses?

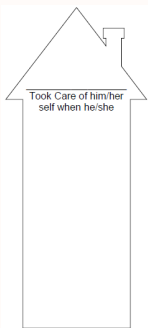

- recognizes a child for exhibiting positive behavior at home
- encourages the good behavior by recognizing the child in front of the class
- it's an amazing way to reinforce behaviors that you're working on at home, not just those that the child is already doing on their own

How do I give my child a house?

- if you don't already have a sheet of houses, you can request some from a teacher at any time
- fill out the house with one example of how your child followed the Take Care Code
- the goal is to send in one house a week with your child

I'm not sure what to write on my child's house.

No problem! Here are some ideas from past houses.

Take Care of Yourself

John took care of himself when he...

- put his clothes on by himself
- went #2 on the potty
- sat still for a haircut
- didn't cry when mommy said no
- covered his cough

Take Care of Each Other

Susie took care of each other when she...

- said hello with eye contact
- gave her sad friend a hug
- helped her mommy carry groceries

Take Care of Your Home

Mark took care of his home when he...

- helped dad put the laundry in the hamper
- kept his cup on the table at dinner
- picked up his toys when asked

Take Care of Your World

Katie took care of her world when she...

- cleaned up her trash
- helped grandpa put paper in the recycling bin
